Referendum Petitions Filed, Approved, Available

May 19, 2007

Dear JT,

- Requirements for Circulation
- Our Part
- Using The Oregon Political Tax Credit

Petitions to stop House Bill 2007 instituting so called 'same sex marriage' by another name (domestic partnerships), and Senate Bill 2 - granting special rights to those who espouse immoral behavior - have been filed and approved by the Oregon Secretary of State.

Petitions are being printed and distribution will commence as quickly as the financial support is received.

Requirements for Circulation

Both petitions REQUIRE that each bill accompany the petitions and be immediately available (at hand) wherever the petitions are circulated, whether in a church, public place or by an individual. PLEASE DO NOT VIOLATE THIS REQUIREMENT. Those who oppose our efforts will seek the dismissal of our petitions if they can find anyone circulating the petitions without both bills being in their possession.

Here is where we all begin to do our part.

Respond to this UPDATE with an email to info@restoreamerica.org supplying: 1) The number of petition pages you will need for your church, 2) The name, address, and phone number of your church. **Please note:** You will need a copy of both bills for your church, and for yourself, if you plan to personally gather signatures. 3) Your full name and address with phone number.

Using Your Political Tax Credit

Your Financial Support is Needed.

The cost of printing, mailing containers, and postage for mailing thousands of petitions and copies of these two bills is extensive. Significant expenditures are now required.

Without your financial support, we do not have the ability to proceed.

The Oregon Political Tax Credit allows an individual to give **\$50.00** and a married couple **\$100.00** to a Political Action Committee (PAC) such as ours, b>WITHOUT COSTING THEM ANYTHING, except the postage on a first class letter.

Any amount contributed up to the above amounts can be taken as a direct credit off the bottom line of your 2007 Oregon Tax Filing. If you do not use this Tax Credit, you will lose it to the state, for whatever purposes they choose, including tax payer funded abortions. Why not **apply those dollars to stopping these bills?**

Simply make your check to **CONCERNED OREGONIANS** up to the applicable amount. Include a handwritten cover note stating your occupation and send it to **15685 SW 116th Ave., PMB 299, King City, OR 97224 .**

You may send a larger amount if you desire. The tax credit portion still applies. God will supply the needs of those who honor Him and His 'eternal rules of order and right.'

God Bless ALL 9,000 of you on this email list! It was your phone calls to the legislators that made them intensely aware of the opposition, encouraged those in the legislature who opposed the bills, and will make it possible to place these politically motivated and morally devastating bills on the ballot.

If each of you PRAY, SEND THE ABOVE EMAIL, and send a check for \$10 or more to CONCERNED OREGONIANS this month, we will be on our way to obtaining the required signatures.

Your financial support is needed as we seek to uphold the Laws of God in civil government.

P.S. Thanks to the legal counsel, wisdom, and work of **Kevin Mannix** and his law firm in Salem - at no charge - we now have more than 120 days to acquire the needed signatures for placing both bills on the November 2008 General Election Ballot.
