

Building Access During Sabbath

Any previously approved building access requests will remain intact. The church building maintains a steady schedule of volunteers, renters, maintenance contractors, and essential staff during the week.

Please keep to your previously designated schedules and routines.

Contact CRRT Chair and Board President Amy Metzger with questions or concerns about building access during Sabbath.

New requests for building access will not be granted while office administration staff is on sabbath. Thank you for understanding.

Schedule adjustments may be requested to Board President and CRRT Chair Amy Metzger **72 hours in advance** of the needed adjustment . 72 hours is the minimum amount of time to allow for adequate adjustments.

The Covid-19 Rapid Response Team cannot guarantee your schedule adjustment request can be fulfilled but the more time given to adjust the more likely your request can be fulfilled. Thank you for understanding.
