

Communications During Sabbath

To get an announcement to the congregation via e-news or worship slides, you need to send your full announcement to the office by Tuesday. You may email dylan@heartofeugene.org or give your full announcement and request to any office staff member by Tuesday. (office@, April@, Jerri@).

The communications team completes all slides for the e-news, Sunday worship, and website by Wednesday of each week, in order to meet our many publication deadlines. The paper newsletter is printed from the e-news publication.

When you turn in an announcement, it will be included in the NEXT e-news. But submission deadline is Tuesday and your announcement, if received on Wednesday or after, will be published the following week. We appreciate your understanding and flexibility.

All Announcements given will be featured in the next paper newsletter, the weekly digital e-newsletter, the Sunday announcement slides and featured on our website. Please reach out with any questions, concerns, or special needs in your announcements. With adequate timing to plan, we can help you get word to the congregation! Thanks.
